Reminder for Parents regarding Water Bottles in School

As you are aware, we allow children to have a water bottle in school. Water bottles are available for purchase from the school office at a price of 30p. However if you wish to use bottles from home, this is fine, although they **must be of similar size, clear and have a sports safety cap**. Please note, coloured or non-transparent bottles are not allowed.

Also, it has been noted that some children are bringing juice in their water bottle. **Please note that this is not school policy. Only plain water is allowed.**

Thank you for respecting school policy.
