Dear Parents and Carers,

Packed lunches

We have a number of children attending our academy who have an allergy to nuts including: peanuts, peanut butter, nut oils, nut flavourings etc. Touching or eating these items or even brushing past another child who has touched or eaten nuts may cause a severe allergic reaction requiring urgent medical assistance.

Therefore, for the safety of the children, we are asking that parents do not send in any food containing nuts to school.

Thank you for your continued support.

Yours sincerely,
