

**Monday 16<sup>th</sup> October 2017**

Dear Parents and Carers,

Your child has the opportunity to enter the Willow Green element drawing competition. As part of our rewards policy, each child is a member of an "element" team. These are Fire, Earth, Water and Air. Pupils can earn points by showing a great attitude to learning and others. Teachers will award these points and the total number of points for each team is shared in assembly.

We are inviting you to design a logo to represent each of Willow Green's elements. Following its success in previous years, (see below for last year's winners) we would like it to go forward again this year. If entering the competition, you have three weeks to plan and design your logo, then each one will be judged and there will be an overall winner for the best drawing for each element.

The winning logos will be framed and displayed around the school. The deadline is 3<sup>rd</sup> November. You must hand your entry into your teacher before this date.

Good luck!

Lily T
