

Thursday 21st December 2017

Dear Parents and Carers,

Would you like the opportunity to help and support our academy?

Then, would you like to apply to join our Academy Advisory Body (AAB)? This is a voluntary post but one we're sure you will find to be very rewarding.

A recent change in focus for our AAB has prompted a review of the skills required to play a positive role in holding the Academy to account for its performance – as a critical friend. The Chair of our AAB and myself agree that we would very much like to increase the number of members too.

The change in focus has seen the role become one of scrutiny with the specific responsibility areas being:

- Standards (Outcomes/Results)
- Behaviour and Attendance
- Safeguarding
- Health, Safety and Site
- Finance compliance and Value for Money
- Special Educational Needs/Looked After Children/Disadvantaged Children
- Community Engagement

If you are interested in finding out more about these roles - or know of someone within the community (extended family or friends) who may be interested - then please contact the academy office on the above number to make an appointment with myself and Chris Smith to discuss how you can help the Academy.

Thank you for your continued support.

Yours sincerely,

Mr. S. Wynn

Head of Academy

Chris Smith

Chair of Academy Advisory Board
