Dear Parents and Carers

**Year 6 Puberty Talk**

The School Nursing Team is coming into school on Tuesday 13<sup>th</sup> February to deliver sessions relating to puberty. The sessions will include talking about body changes and cleanliness.

Following the session from the nursing team, Miss Prout will be talking further to Year 6 about sex and relationships, focusing on reproduction and birth. The children will be watching a DVD from Channel 4's Learning and Growing. The DVD has been developed as an educational resource to promote primary school sex and relationship education at an appropriate level.

Please feel free to contact the school if you have any queries. If we do not hear from you, we will assume you are happy for your child to take part in the talks.

Many thanks

Mr. Wynn  
Head of Academy
