Behaviour

Our recent Parent View questionnaire highlighted that some parents were unaware of the standard of behaviour in classrooms. We will be sharing each week how many children in each class are consistently in the right place, at the right time and doing the right thing.

Willow Green Academy considers the welfare of all our pupils to be of great importance and we hope that parents are confident about their children's health and safety whilst in our academy. We will always try to share any concerns we have with parents. However, there are times when we are legally obliged to share our concerns with other agencies, without first speaking to parents, or without the consent of parents. The safety and protection of our pupils is our most important concern and we wish to reassure you that any sharing of information is done with the children's best interest at heart. If you have any concerns about the welfare or safety of any child in our school, the Designated Child Protection Officer is Mrs Jill O'Gara. In his absence, you should contact Mr. Stuart Wynn. They can all be contacted through the main office. The academy has a duty to inform parents that there is a prohibition on reporting or publishing details (including on social media) that could identify anyone who is subject to an allegation.

The Government have launched a new website aimed at parents, teachers and school leaders to give practical advice on protecting young people from extremism and radicalisation. This was launched by the Education Secretary and contains information which address many questions / issues faced by parents and children. The website can be found at www.educateagainsthate.com

**International Success
at the
Las Vegas 'Acro Cup', 2018!**

A pupil from Willow Green Academy has returned with a silver medal from the USA after participating in the World Cup event held in Las Vegas last week. Ava travelled with her parents, competition partner and other team members from her gymnastic club to compete at this international event.

Ava has worked incredibly hard to develop her talent to compete at this level and we are all so proud of her for this. The fact that she was rewarded for all of her efforts by winning a silver medal is just the icing on the cake!

Well done Ava!

Here are a few photographs of Ava in action and with her medal back at school:
