Behaviour

Our recent Parent View questionnaire highlighted that some parents were unaware of the standard of behaviour in classrooms. We will be sharing each week how many children in each class are consistently in the right place, at the right time and doing the right thing.

Reception 31/31	Year 1 29/30	Year 2 27/30	Year 3 29/29	Year 4 28/28	Year 5 30/30	Year 6 31/31

'I'm Possible' winners

Reception: **Kassie Cooney**

Reception: **Finley Wright**

Year 1: **Joshua Wells**

Year 1: **Faith Smith**

Year 2: **Ashkan Mehdi kahni**

Year 3: **Jayden Lee Cookson**

Year 3: **Asher Tyler-Booth**

Year 4: **Lottie-Lou Horton**

Year 4: **Harley Scott**

Year 5: **Jacob Firth**

Year 5: **Leon Hardwick**

Year 5: **Olivia Farnell**

Year 5: **Kelly Halligan**

Year 5: **Cara Dawson**

Year 6: **Beth Toon**

Year 6: **Tommy Richardson**

Up and Coming Key Dates

Thursday 29/03/18 Mobile Library Service for Y5 & 6.

Thursday 29/03/18 End of Half Term.

E-safety

We take safety on-line seriously at Willow Green. We understand that educating parents as well as children is an important step to achieving confident users of the internet, social media and technology in general. Here are some useful e-safety web links for parents and pupils to help improve your awareness of the dangers and benefits of safe online usage.

Nursery

Our topic this term is Around the World, we have been looking at foods from different countries, and we have been tasting different fruits from our story 'Handa's Surprise', the overall favourite was pineapple. We dressed up for World Book Day and read our stories with our friends. Our letter sound next week is 'y', so if the children would like to bring in something to show beginning with this letter that will be fantastic. Follow us @WGreenNurs.

Reception

This week we have been working extremely hard to learn our doubles to 20. We have completed the 'Handa's Surprise' book. The children have enjoyed changing the story and making up different versions. In one of our stories we visited Space and found a special fruit which the fruit monster stole. The children had to use house hold objects to try to get the fruit back from inside the monster's belly. We had some fabulous ideas to write sentences about! We have had a fun week tasting different fruits from the story and talking about their texture and taste. Please remember that P.E is now on **Tuesdays**. Follow us @WGreenRec.

Year 1

Our week has been another busy one, we have started our new class reading book and have had some great discussions about what we think might happen as we continue into the book. In Maths this week we have been comparing numbers and are learning to use the symbols to represent 'more than,' 'less than' and 'equal to.' We have been looking at punctuation marks, and have been writing questions, remembering to use a question mark at the end instead of a full stop. We enjoyed World Book Day and it was great to see the children enthusiastic about their book characters. In guided reading this week we have been reading a non-fiction text about London. Part of the text talked about the guards who stand outside Buckingham Palace. Ben's fancy dress costume linked in really well! Follow us @WGreenY1.

Year 2

This week we have been finishing our topic on maps. In our English work we have been writing a letter from a pirate island. We have learnt how to use noun phrases to make our writing more interesting and have worked on question and exclamation sentences. How hard we worked! We also finished the week off by learning about commas in a list and wrote about some of the interesting things that we found while we were exploring the pirate island. We can't wait to get stuck in to our great fire of London topic next week! Follow us @WGreenY2.

Year 3

Year 3 have done some fantastic work this week in maths, and have impressed me with their knowledge of converting between different units of measurement. We have looked at metres to centimetres, and then today moved on to centimetres and millimetres. The children looked fantastic yesterday in their world book day outfits, well done for all the thought and effort that went into them. Follow us @WillowGreenYr3.

Year 4

It has been a wonderful week in Year 4 with 100% attendance and 19 readers of the week! What an amazing result! We are trying for 28 readers of the week next week and 100% attendance! This week we started our new Science topic all about electricity. We found out which appliances are mains and battery powered and had great fun investigating how we could help Harry Potter light his room under the stairs using a battery, wires and a bulb. We have now finished the first chapter of Harry Potter and have got to know Professor Dumbledore, Professor McGonogall and Hagrid really well. Did you know his hands are as big as dustbin lids? Harry Potter has just arrived! What will happen next? Follow us @WGreenY4.

Year 5

A week to celebrate the entire classes' grasp of multiplying fractions by one digit numbers. You have all been fabulous, hardworking and supporting each other. In English emotive language has been key when inspiring our customers who purchased our wonderful flying broomsticks - I wouldn't know which one to buy, they all sound amazing! Our art work has been inspired by Alfred Noyes poem 'The Highwayman' when we focussed on perspective and pencil skills. Many budding artists in Year 5. Follow us @WGreenY5.

ATTENTION WILLOW GREEN SCIENTISTS!

Don't forget to bring your home made rocket in to school between Monday 12th and Thursday 15th March!
