Behaviour

Our recent Parent View questionnaire highlighted that some parents were unaware of the standard of behaviour in classrooms. We will be sharing each week how many children in each class are consistently in the right place, at the right time and doing the right thing.

E-safety

We take safety on-line seriously at Willow Green. We understand that educating parents as well as children is an important step to achieving confident users of the internet, social media and technology in general. Here are some useful e-safety web links for parents and pupils to help improve your awareness of the dangers and benefits of safe online usage.

Nursery

What a wonderful week in Nursery, we have been doing lots of Easter activities, making cards and Easter crafts. We even had a visit from the Easter bunny and we had fun searching for what they had left. We had a difficult decision judging the potato competition the entries were fantastic well done to everyone who joined in. Our letter sound after the holidays will be 'Q' so if your child would like to bring something to show that would be great. Follow us @WGreenNurs.

Reception

We have had a busy week in Reception. We have been making our own repeating patterns and in fine motor we have done lots of Easter related activities. Today we made rice krispie buns and shared them in class. We had lots of fun voting for the best potato book jacket the teachers had made. Happy Easter everyone! Follow us @WGreenRec.

Year 1

We have been involved in several Easter themed activities this week including the whole school book jacket competition. Another amazing effort with so many fabulous entries from Year One! Well done to the winner, runner up and everyone who took part. As well as fun Easter art and craft activities we have also been learning why we celebrate Easter and exchange chocolate Easter eggs at this time. Our guided reading sessions have taught us about this and we had a go at one of the Easter traditions - egg rolling! Have a happy and safe Easter holiday and we look forward to seeing you all in a fortnight for our final term in Year One. Follow us @WGreenY1.

Year 2

This week we finished our diaries from the Great Fire of London. They are fabulous. Well done Year 2 for working so hard to show off what you have been learning in our English lessons. We will continue with our topic after the Easter break and we will be writing our own newspaper articles. We can't wait! Have a lovely break! Follow us @WGreenY2.

Year 3

This week Year 3 and 4 had great fun during their topic mornings. They did a variety of activities created giant shadufs, baked unleavened bread and tasted Ancient Egyptian food. Lots of children were very brave and tried some foods they had never tried before, including pomegranate, humus, dates. The watermelon went down really well, but the cottage cheese was less popular! Follow us @WillowGreenYr3.

Year 4

We have had a lovely final week finishing our Egyptian topic. This week we baked bread, made full size shadufs and tasted some Egyptian food. We did not enjoy the humus or cottage cheese but we did enjoy the pomegranate and the dates. We have also been finding out about the geography of Egypt and the river Nile. Can you name the countries that surround Egypt? Did you know that the river Nile flooded each year which meant they could grow plenty of food to feed themselves? Follow us @WGreenY4.

Year 5

As the end of another term draws to a close we have celebrated many achievements, great progress and personal gains across year 5. The children have demonstrated their creative abilities not only in English but through Art, P.E, History, Design Technology and Science. Their ability to work in teams has been fabulous when designing and making their Eggstronaut Parachutes, incorporating their knowledge of materials and forces linked to our current science topic. Some fabulous designs - the children had a cracking time! Hope everyone has an enjoyable Easter. Follow us @WGreenY5.

Year 6

This week, we have been concentrating on rewriting the children's novel 'The Very Hungry Caterpillar'. We have been improving our writing by using simple, compound and complete sentences. We have enjoyed using our artistic skill to create water colour paintings inspired by the famous artist Monet. Who is your favourite artist and why? Thank you for all your hard work entering the jacket potato competition. Follow us @WGreenY6.

Polite Reminder

Please remember to park responsibly near the school and be mindful that the road markings are there for the safety of the children who attend this school. Please refrain from parking on them. Thank you
