Behaviour

Our recent Parent View questionnaire highlighted that some parents were unaware of the standard of behaviour in classrooms. We will be sharing each week how many children in each class are consistently in the right place, at the right time and doing the right thing.

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
31/31	28/30	25/30	29/30	28/28	29/30	30/30

'I'm Possible' winners

Reception: Jacob Gill

Reception: Rhys Richardson

Reception: Nathan Kwasnicki

Year 1: Ava Johnson

Year 1: Riley Bairstow

Year 1: Lacie-Mai Littlewood

Year 1: Bella-Mae Brown

Year 1: Dean

Year 2: Hailey Kotowski

Year 3: Stevie Haley

Year 3: Ava Hough

Year 4: Kieran Halligan

Year 4: Thomas Vause

Year 5: Olivia Farnell

Year 6: The Whole Class

Up and Coming Key Dates

Monday 14/05/18	Year 6 SATs week begins
Thursday 17/05/18	10 goodie bags to be won at lunchtime! See below for details!
Friday 18/05/18	Royal Wedding dress down day and other activities.
Friday 25/05/18	End of Half Term
Monday 04/06/18	INSET Day
Tuesday 05/06/18	Start of Half Term

Leadership Signposting

If you have any question or queries, in the first instance, please speak to your child's class teacher. Mr Wynn will be out in the school grounds at the beginning and end of each day if you would like to introduce yourself or ask a question. If you'd like to speak to another of the Academy Leaders, you can find them in the following places:

Miss Prout – Year 6, Miss Walker – Year 4, Mrs Carpenter – Year 5.

For any personal / private discussions, please contact Mrs Hipkiss or Mrs Haigh in the Office to make an appointment to speak with Mr Wynn or appropriate member of staff.

If you have a school dinner on Thursday 17th May, and your dinner is served on a winning plate, you will receive one of 10 goodie bags. Good luck!

Nursery

We have had another busy 4 day week in Nursery. We are still looking at clothes as part of our topic. We have enjoyed washing the doll clothes outside and pegging them up and watching them dry in the sunshine. We have been practicing our cutting skills by making people puppets and cutting out the clothes we want them to wear. In 'Number' we have been comparing the size of different clothes and putting them in order. Follow us [@WGreenNurs](#).

Year 2

This week our surprise visitors came! In February we started reading the story 'The Owl who was afraid of the Dark'. The story was about Plop, an owl who meets lots of different people to find out about the dark. We read this every day in our whole class reading sessions. We even read some other nonfiction texts to find out more about Barn Owls. On Wednesday afternoon we went to the dinner hall for our surprise. When we got there our visitor had 4 mysterious boxes. When she opened them we found out that she had brought some birds of prey. We were so excited. She showed us a Barn Owl and a Little Owl and told us lots of facts about them and showed us them flying around the hall. After that she showed us a Peregrine Falcon and an American Kestrel. On Thursday we began our writing about the visit. We can't wait for them to visit us again. Follow us [@WGreenY2](#).

Year 3

This week Year Three enjoyed a very exciting visit from four birds of prey! We were even able to see the fastest bird, a Peregrine Falcon having a perch and have also seen a Barn Owl fly. The children have already begun writing a report all about the animals and have been using subheadings to help organise their ideas. The children have also been researching the formation of volcanoes and learning about continental drift. They have made some fabulous posters detailing their findings! Finally, the children have been setting themselves some tricky challenges in maths, writing and solving their own fraction word problems. Follow us [@WillowGreenYr3](#).

Year 4

This week we have been thinking about the pros and cons of aquariums. We think they help educate people about life under the sea and can help to keep endangered creatures safe but is it really fair to keep these creatures in tanks rather than in the wild? We have also been thinking about how animals are adapted to survive in particular habitats. We were fascinated to find out that polar bears can close their nostrils so that water doesn't go inside them when they are swimming and camels have fat, not water, in their humps! Follow us [@WGreenY4](#).

Reception

With the lovely weather this week, we have been doing lots of learning outside. The children have enjoyed washing clothes and creating their own stories. We have been having a big focus this week on finding one less than numbers up to 20! Please practice this at home. Follow us [@WGreenRec](#).

Year 1

This week we have continued with multiplication in Maths, making arrays to help solve problems. We have also started measuring volume in ml. In English we have been reading a non-fiction text about springtime and have made a start on writing about it too. We have recapped using question marks and learnt how to change nouns from singular to plural using 's' and 'es'. We are continuing to enjoy dance in P.E., creating routines whilst holding different balances. Follow us [@WGreenY1](#).

Year 5

This week we have made a start on our third move in the Kata in Aikido, developing skills and confidence in foot movements and technique. Tying belts was a challenge but practice will ensure this improves. In topic we have continued our debates on whether Christopher Columbus was the first to discover America - lots of research into facts and opinions have helped us to structure our balanced arguments. Many of the class are now in agreement that he did in fact discover and map South America but not the North. Fabulous work from all, applying skills from earlier in the term. TT Rock Stars has been a huge hit in class - remember you can access this at home too with your personal log in. Follow us [@WGreenY5](#).

Year 6

What wonderful weather we have had this week. Year 6 have been making the most of it with some afternoon revision sessions outside in the playground. The children have shown great spirit and continue to make us proud. Make sure you have a relaxing weekend Year 6 all ready to show off your amazing talents next week. Follow us [@WGreenY6](#).
