Dear Parents and Carers,

Nursery and Reception Play Equipment

It has been noticed that children are using the Nursery and Reception play equipment before and after the school day. Unfortunately, our insurances do not cover or allow the use of equipment outside of the school hours by pupils or their siblings. The outdoor equipment can also only be used while our children are supervised by our trained members of staff.

Therefore, I would like to ask for your co-operation in making sure your child or children do not play on the equipment either before or after the school day.

I appreciate your continued support with this matter.

Yours sincerely,
