Behaviour

Our recent Parent View questionnaire highlighted that some parents were unaware of the standard of behaviour in classrooms. We will be sharing each week how many children in each class are consistently in the right place, at the right time and doing the right thing.

Leadership Signposting

If you have any question or queries, in the first instance, please speak to your child's class teacher. Mr Wynn will be out in the school grounds at the beginning and end of each day if you would like to introduce yourself or ask a question. If you'd like to speak to another of the Academy Leaders, you can find them in the following places:

Miss Prout – Year 6, Miss Walker – Year 4, Mrs Carpenter – Year 5.

For any personal / private discussions, please contact Mrs Hipkiss or Mrs Haigh in the Office to make an appointment to speak with Mr Wynn or appropriate member of staff.

Parking

Please be reminded that parents are not permitted to park within the school grounds during school pick up and drop off times unless there is an agreement with Mr. Wynn in place. This is for the safety of all pupils and parents. Thank you

Nursery

As it has been safeguarding week this week we had a story all about how to be a good friend. We talked about all the different ways we could be good friends and came up with some fantastic suggestions. Taking in turns, sharing, being kind were some of them. We also thought about children in our class who were good friends to us. On a slightly different note, we were a little bit sad and happy that we had to let the butterflies go. We have all loved watching them change and grow. Follow us [@WGreenNurs](#).

Year 2

This week in year 2 we have focused on safeguarding. We have looked at what characteristics make a good friend. We discussed all the ways in which we are good friends to each other in our school and how we can be better friends and kinder to each other. We created a poster listing the qualities, and also created a recipe for what makes a good friend. We really enjoyed talking about how we are brilliant at doing this in year 2! Year 3

As part of safeguarding week, year three have been thinking about what makes a good friend. We created a recipe which included kindness, being thoughtful, a good sense of humour and knowing how to share. We then thought of the examples of people we knew who were shining examples of these traits and used oil pastels to draw their portraits. Finally, we created colourful paper chains to show our understanding of bullying and what we should do to keep school a bullying free zone. Follow us [@WGreenY3](#).

Reception

This week for safeguarding week we have been talking about how we can be a good friend to each other. We have lots of different ideas for how we can be good friends in the classroom, on the playground and at lunch times. Follow us [@WGreenRec](#).

Year 4

This week we have been thinking about how to stay safe on the Internet. We role played different scenarios and thought about what we would do if it happened to us. We had lots of different ideas and some very interesting discussions about the best choice. We then thought about how we should behave when we are on the Internet and made some beautiful posters to show people how we should behave! Remember to never give out personal information or meet anyone and always speak kindly! Follow us [@WGreenY4](#).

Year 5

During Safeguarding Week 2018, we have considered the issue of trust in regards to online messaging. We have discussed how trustworthy messages are and ranked them through paired work. Careful consideration was apparent through discussion and raised many interesting and thought provoking questions. We also looked at sending our own messages & online chat. As a result of all our discussion we designed posters with the message of 'Think' 'Consider' 'Trustworthy' 'Respect' and 'Kindness'. Check out some of our work on twitter [@WGreenY5](#).

Year 1

We have spent the week getting to know each other and the children have certainly tried their best to impress. They are definitely showing that they are ready for year 2. This week it has been safeguarding week. Year 1 have been looking at what it takes to be a good friend. We learnt about how bullying is something that is repetitive and happens more than once. We also learnt that bullying is not just hitting someone but can be the words we use too. First we sorted out pictures and sentences in to things that good friends do and things that a good friend does not do. After that we made our own recipes on how to make a good friend and we had lots of great ideas. Follow us [@WGreenY1](#).

Year 6

On Wednesday, Year 6 had a fabulous time when we went to Lightwater Valley. We went on various rides such as: The Ultimate, Apollo, Twister, Wild Water Rapids and Raptor Attack. Lots of us challenged ourselves by going on the scarier and bigger rides. The Year 6 performance is coming together very well. We have recently started to add moves to our songs. We will continue to make this play better and better to watch. Also, this week has been safeguarding week so we have watched a video on cyber-bullying and have discussed how we should deal with this type of bullying. Follow us [@WGreenY6](#).
