

**MR ROLLIN'S WEEKLY MESSAGE**

**Dear Parents, Carers and the Willow Green Community,**

It's been another fantastic week at Willow Green and I wanted to take a moment to celebrate some of the wonderful things happening across school as we move further into our busy and exciting final half term. Firstly, a huge well done to our **Year 1 pupils**, who have approached their **Phonics Screening Check** with great enthusiasm and resilience. Their focus and determination have been brilliant to see and we are so proud of the progress they have made this year. A special mention also goes to the **Year 2 children** who took part—you gave it your best and showed real confidence in your phonics.

We'd also like to celebrate our **Year 4 pupils**, who have completed their **Multiplication Tables Check** this week. They approached it with maturity and a strong sense of purpose and it's been wonderful to see their hard work throughout the year pay off.

Looking ahead, we are excited for the upcoming **Sports Days**, where we'll come together as a school community to cheer on the children and celebrate teamwork, effort and sporting spirit. We wish all of our pupils the very best and look forward to seeing them enjoy these special days of fun and friendly competition.

From classroom learning to special events, it's a real joy to see our children embracing every opportunity with such energy and positivity. As always, thank you for your continued support—it makes such a difference.

Let's keep making every moment count as we move towards the end of another brilliant school year.

Warmest regards,

**Mr. Rollin**  
**Head of Willow Green Academy**

**PLEASE SEE BELOW FOR KEY MESSAGES:**

**PHONICS SCREENING CHECK**

We are incredibly proud of our Year 1 children and the selected Year 2 pupils who have recently completed their Phonics Screening Check. They approached the challenge with focus, enthusiasm and a positive attitude, demonstrating the fantastic progress they've made in their reading throughout the year. Their hard work, determination and growing confidence in phonics have truly shone through and it's been a joy to see them take such pride in their learning. Well done to every one of you!

**YEAR 4 – MULTIPLICATION TABLES CHECK**

Well done to our Year 4 children, who have shown fantastic focus and determination during their Multiplication Tables Check (MTC) this week. Their hard work and consistent practice throughout the year have really paid off and we're so proud of the positive attitude and effort they've put into mastering their times tables. Great job, Year 4!

**SCHOOL UNIFORM**

A quick reminder to all families about our uniform expectations: children should wear full school uniform each day, including plain black footwear. We appreciate your continued support in helping pupils take pride in their appearance and represent Willow Green smartly and consistently.

**CLASS DOJO**

A quick reminder that Class Dojo is used to celebrate learning and share Dojo points, but for messages about behaviour, absence, or concerns, please use our usual channels—speak to staff at drop-off/collection, contact the school office, or email [info@willowgreen.org.uk](mailto:info@willowgreen.org.uk). This helps keep communication clear and consistent for everyone.

**TRANSITION MORNING**

We're excited to announce our *Primary Transition Morning*, which will take place on **Friday 4<sup>th</sup> July**, where children will spend time getting to know their new class teacher in preparation for the next academic year. The morning will include a range of fun and engaging activities such as team-building games, an introduction to class routines and a creative task to help them feel settled and confident. Each child will also receive a *Meet the Teacher* booklet, filled with helpful information and friendly messages to support a smooth and positive transition.

**UPCOMING SPORTS DAYS**

We're looking forward to our exciting Sports Days next week! EYFS and Key Stage 1 will take part on **Monday**, with Key Stage 2 following on **Wednesday**. Each event will feature a fun carousel of activities, giving children the opportunity to showcase their skills in speed, strength and balance. It promises to be a fantastic celebration of teamwork, effort and sporting spirit—families are warmly invited to come and cheer the children on!
